COMPANY OVERVIEW

STS Federal has a rich 16-year history of providing professional services to a host of Government contractors in the DoD, DHA, VA and other Federal markets. The principles of STS Federal have a combined 67 years of Government contracting experience in the areas of Healthcare Services, Military Training, and Systems Engineering and Technical Assistance (SETA).

PROFESSIONAL SERVICES

D I F F E R E N T I A T O R S

- Our genesis as a talent acquisition firm with over 16 years of industry experience, with seasoned professional recruiters and credentialers allows us to identify and hire hard to find highly qualified talent in all markets and locations
- Thoroughly understand Federal Government contracting as demonstrated by the founder's 35 years of experience successfully starting, growing, and operating four unique services companies within the Government contracting space
- Senior managers experienced in leading high dollar, high visibility Government programs, with DAWIA certifications
- Strong past performance with an unblemished record of exceeding Government and industry partners' requirements
- Responsive organizational structure and experienced management at all levels
- Mature SDVOSB with established DCAA compliant accounting system
- Established financial base and strong creditworthiness with mature credit lines exceeding \$10M
- Successful major subcontractor on IDIQ Contracts for DHA supporting the Air Force, Navy, and Marine Corps
- Vast experience hiring, transitioning, staffing, and managing programs at remote locations throughout the US

V I S I O N

"To create an extraordinary customer and employee experience as we support those who serve our nation"

M I S S I O N

STS Federal strives for excellence in all we do by providing a highly skilled and energized workforce to deliver premium solutions to our customers. STS Federal will manage the complex challenges with innovative solutions and always strive to exceed customer and employee expectations in a way that is commensurate with our values.
